### Delivery:

As a result of the expansion, the Rheingoldhalle is better to reach than ever.

There are three freight elevators for on-site delivery available:

**Delivery A:** Freight elevator of the Gutenberg Foyer  
Max. clearance height: 4,20 m  
Measures: L 5,40 m, W 2,85 m, H 2,50 m; Max. Loading: 4,5 t  
Delivery takes place via the Rheinuferseite (see direction above).

The parking of trucks takes place under instruction of the in-house staff and is permitted only for loading and unloading.

There are no lifting carts available for the delivery. Forklifts can be provided after prior notification.

Mainz Congress assumes no liability for deliveries so make sure to deliver shortly before your event!
